

Privacy policy for SKAKO A/S

Personal contact information regarding customers, suppliers and other business partners

Personal data processing

Definition

Personal data means any information relating to an identified or identifiable natural person, even if it requires knowledge to a social security number, reg. no. or similar.

Principles for processing personal data

Processing follows these principles:

- Handled legally, reasonably and transparently
- Collected for explicitly stated purposes
- Be sufficient, relevant and limited to what is necessary
- Be correct and up to date
- Only be stored for as long as necessary for the purpose
- Handled in a way that ensures adequate safety

Collecting of personal data

We collect only contact information, such as name, job title, e-mail address, telephone number or company address, from received e-mail, business card, business website or verbal from the person.

We do not deal with sensitive personal data.

Use of your personal data

We only use your personal data for communication, regarding:

- Customer - processes:
 - Sales
 - Service
 - Warranty
 - Aftersales
 - Complaints
- Supplier - processes:
 - Purchase
 - Service
 - Warranty
 - Complaints

- Business partners - processes:
 - Business co-operation

We collect and process data only within SKAKO Group. We don't disclose your personal data to third parties without your consent. We will not obtain your consent if we are legally required to disclose your personal data.

Information security

We maintain appropriate technical, organizational and administrative measures, to protect your personal data.
